

Minutes of PTA meet in academic year 2021-22

Parents teachers meet was conducted on 18 April 2022 along with Fresher's Induction programme in the auditorium at 10 am. Dean and Chairman Dr. Rajesh Gondhalekar, Convenor PTA Dr. Simran Parwani and Secretary Dr. Shruti Wankhade held the meet.

Dr. Shruti Wankhade elaborated on facilities provided by the college teachers and safety of students in the college campus and hostel. She also mentioned about the ragging-free environment of both the areas. She also made a mention that a bonding between teachers, parents and students is very fruitful for student's progress. She also gave an idea of all the shops where lab coats and dental books will be available.

Dr. Simran Parwani mentioned about the importance of attendance of the students which should be atleast 75% in theory classes and atleast 80% in practical classes before they can attempt for final exams. She further elaborated that there are 3 internal assessment exams in a year, averages of which are taken as internal assessment marks, added to the university exam marks.

Furthermore, she mentioned the importance of parent's involvement for better results. Every 10 students will be allotted one preceptor (teacher) for sharing of academic and other problems

Dean Dr. Rajesh Gondhalekar congratulated all the parents for their ward's admission in dental college. He cleared all doubts of parents related to fees, hostel environment, internal assessment exams, safety of students. He also gained the confidence of all the parents and shared his contact number with them for their accessibility to clear any further doubts.

Finally, few parents cleared their doubts about:

- 1) Cleanliness in the boy's hostel

- 2) Attendance
- 3) Mess and tiffin facilities

Outcome measures-

Following measures and justifications were provided to parents by the PTA members:

- 1) Cleanliness of hostel was taken care of.
- 2) Importance of attendance or regularity was also explained.
- 3) All the hostels (Boy's and Girl's) are well equipped with clean food facilities.
