

Annually we celebrate Women's day to sensitize everyone regarding Women's rights and appreciate work by women's on 08 march every year at Auditorium, V.Y.W.S. Dental College

Male female ratio of Maharashtra for the year 2023 was 1080:1000 but that of our Amravati district of Maharashtra is 1000:951. From this, we conclude that different programmes conducted for gender equity like "**Beti Bacchao Beti Padhao**" rally, Women's conferences, women's redressal committee helps to improve the sex ratio.

We have rendered free consultation and dental treatment for the female patients . Additionally following guest speakers were called Dr. Asha Thakare, Dr. Pranjal Sharma, Dr. Poonam Rathi who engaged the audience in an interactive sessions on menarchy and menstrual hygiene. Dr. Rasika Rajnekar, Nutritionist explained the importance of balanced diet and how to deal with PCOD in the year 2022. Also Vishwa Mangalya Chatra Sabha conducted lecture to communicate with girls students on "Contribution of Young Women in building our Nation" by Dr. Shruti Mukund Deshpande on 30/8/2022.

On occasion of Women's Day in the year 2023 Advocate Pravin Khanpasole, Advocate Jyoti Khanpasole and PSI Narwade Sir of Damini Pathak graced the occasion and also encouraged the women to work without fear and requested men to support the women at workplace.

Our society provides hostel facility for girls residing outside Amravati and at the same time boy's hostel at the third floor in college campus.
