Ref. No. DCA/ 846-A/2021 Strategic Planning for 2021-2026

Date: 30/11/2021

1. Education

To employ innovative, evidence-based educational models, techniques to prepare our students to become skilled professional healthcare doctors.

2. Patient Care- To improve patient flow through online media presence, digital marketing.

3. Infrastructure- To expand the infrastructure to accommodate 100 BDS seats.

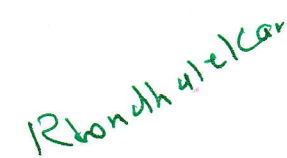

4. Academic development- Our future planning includes to increase the PG seats in the subjects of Prosthodontics , Oral surgery, Endodontics and conservative dentistry, Periodontology and Orthodontics.

- To organized the programs which includes Continuing Dental Education, Faculty Development Programmes and for quality improvement every year and ensure every staff involvement.

5. Research - To enhance research capabilities and obtain approved projects and more and more number of publications in peer reviewed journals in coming five years.

6. Digitalization - Digitalization of the processes in a structured manner is taken as one of the key elements of the strategic plan for quick and speedy decisions in the dynamic or turbulent environment.
