

Day care room:-

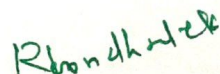

Feeding room for lactating mothers, teaching and non teaching staff and Day care centre are available in our campus located at ground floor for easy accessibility to everyone.

Boy's and Girl's common room facility are also available in our college campus area which is located at second floor and Ground floor respectively.

Women's Complaint committee-

We have women's complaint committee in our college where Chairman is Dr. Mrs. RR Gondhalekar and Dr. Mrs. V. A. Thakre is Secretary. Advocate Varsha Deshmukh is legal advisor who suggested to include 2 student members, 1 boy and 1 girl which is also implemented in our committee. The committee conducts meeting quarterly every year under the guidance of respected dean sir and committee chairman where various issues and measures to be taken for the improvement of services provided are discussed unanimously. We have women's complaint box installed in our college in front of dean chamber. As far now no complaint regarding any women inequality has been reported in our college which is suggestive of a healthy environment for everyone.
